- **Looking for a job?**
- **Worried about money or bills?**
- **Want to get online and use the internetconfidently?**
- **Keen to make a difference in your community?**

If it's a yes to any of these questions, we can help.

Clarion Futures is part of Clarion Housing Group. We support thousands of Clarion residents to find work, feel more in control of their money, learn new skills and help them to play an active role in their community.

Transforming lives and communities

Introducing Clarion Futures

- **Looking for a job or training opportunity?**

We provide 1 to 1 help to improve skills for work and support people into jobs, work placements, apprenticeships and training. We could even help you to set up your own business. Last year we supported 4,000 people into work, with employers including Network Rail, Royal Mail, Elstree Film Studios and Marks & Spencer. You could be next!

- **Worried about money or bills?**

We can help you feel more in control with our practical, free, easy to follow guidance on money. Our friendly team will listen to the challenges you face and can help with sorting out bills, budgeting, dealing with debt and managing your energy costs. We can also help with access to more affordable borrowing, discounts and grants for household essentials.

- **Want to get online and use the internet confidently?**

We help people of all ages and backgrounds to get online and to improve their digital skills, through group classes and 1 to 1 training sessions in their own home.

- **Keen to make a difference in your community?**

We provide opportunities for residents to make a positive impact on their community. This includes everything from grants of up to £5,000 helping local projects get started, to our National Ambassador programme for young people.
